Assistance To Bethel Pastors

It came as a surprise to all our Bethel Pastors with the timely intervention from Sierra Leone Agape Volunteer Efforts (SAVE) with cash gifts during such a difficult and challenging times. Most of our Pastors were adversely impacted by the closure of all Churches in Sierra Leone due to the COVID 19 pandemic. There were no activities in all our Churches for about four months that depleted the income of most of our local churches as an indigenous ministry. But with this timely intervention of \$2000, it puts a smile on the faces of all our Pastors in Sierra Leone. About 80 Pastors and ministers benefited from this gesture. The distribution was done in categories with the equivalent of \$15, \$20, \$25 & \$30 respectively to each pastor.

“And if you give even a cup of cold water to one of the least of my followers, you will surely be rewarded.”

- Matthew 10:42

Special thanks and appreciation to everyone that made this possible.

Apart from the cash gift to Pastors, SAVE additionally supported about 60 families in the Yams Farm and Rokel communities with assorted food stuff worth about \$1000.

Each food pack to each family contains rice grains, Vegetable Oil, Palm Oil, Onions, Tin Tomato paste and Maggi cubes that can feed a family of five for a week or two.

We are grateful to God for such gesture.
