

SCRIPTURE UNION OUTREACH REPORT – February 22, 2021

As part of his dream to strengthen SU ministry in operational areas, the National Director, Mr Kpandei Tucker, in collaboration with the Area Committee held a youth Discipleship Seminar on Saturday 13th February 2021 at the Christian Reformed Church at one mile in Kabala. There were 123 youths in attendance from 9 Schools and 6 Churches. Also, present were Area Committee members, Pastors and SU Church Ambassadors. We were tremendously blessed by the dynamic practical teaching ministry of the National Director (ND). Muslim youths among others from some of the schools had opportunity to encounter Christ as Lord while others made commitments to follow Jesus. There were testimonies of impartation. Lunch was served to all participants.

The National Director (ND) also had training for the Area Committee and held meeting with a cross section of Church Leaders of the Pastoral Council in Kabala. He ministered on Radio Shalom FM 98.5 and Radio Bintumani FM 93.7 and on the 14th February, he preached at the combined service of Faith Healing Bible Church on Sunday 14th February. Pastors and other Christians in Kabala had a lot to say about the ND. They told me that such sound biblical teachings of the gospel are scarce and have requested for another visit of the Director. He has made my work light. We pray that God will be forever praised through his life and ministry.
