

SCRIPTURE UNION OF SIERRA LEONE

UPDATE ON OPERATIONS PRESENTED TO SAVE USA - DECEMBER 2024

NO	ITEMS	BRIEF COMMENTS/ NOTES
1	Introduction	As we approach the end of the year 2024, I wish to express our sincere gratitude to SAVE USA Board in respect of your support towards ministry operations. This update will focus on ministry, projects challenges and prayer concerns of Scripture Union SL.
2	Ministry	<p>Devotionals and Bible Study Outlines – For the year 2025, we ordered for the following copies and amounted to \$ 6,930:</p> <ul style="list-style-type: none">❖ 2,000 copies of Daily Guide for adults❖ 1,500 copies of Daily Power for Youths❖ 500 copies of Daily Milk for Children❖ 1,500 copies of Bible Study Outlines (the theme for the Group Bible Study for 2025 is “Phinehas: Passion for Godliness.” <p>Out of the total amount above, we have paid \$ 5,100 and expect to make a final payment of \$ 1,880. We had challenge to clear the books initially. However, we have been able to pay clearing charges for one third of the consignments at the customs (about \$ 100) and yet to clear the remaining books at the airport (at about \$ 200). We are working hard to raise funds to ensure they are cleared not later than Christmas for distribution to be made immediately.</p>
3	Project	<p>Dormitory Construction - The foundation work for the Scripture Union dormitory construction project is 80 percent complete. Lots of work, materials, and supervision have been put into building a very solid foundation on a slightly sloppy land.</p> <p>Work has reached foundation height, having spent NLe 185,850.00 (\$ 7,743.75). Materials still needed for completion of this phase include: One (1) trip each of sand and granite stone, 15 trips of hard-core dead stone and 22 trips of mud. This amounts to Le 68,400 (\$ 2,850).</p>
4	Conclusion/ Prayer Request	<p>Please pray along with us:</p> <p>a) As we come towards the end of the year, payment of staff remunerations (about \$ 1,100 per month) becomes challenging for the months of October and November 2024. Kindly pray with us for God’s provisions to enable the staff to celebrate the joy of Christmas in their lives and families.</p> <p>b) We also trusting God for provision for completion of foundation construction of the dormitory. Pray that the Lord will perfect what He has started.</p>
